

PLAY-IN ROUND VOTING THRU FACEBOOK & OPEN WEB

Thanks for your interest in SportsNation's Madden NFL 13 Cover Vote.

EA Sports and ESPN's SportsNation have chosen two players from each NFL team to be included in a social play-in round for the Madden NFL 13 cover.

Starting March 7th on SportsNation's Facebook page and on voting matchups called 'sapplets' or 'widgets' embedded across open web(info below), fans will be able to vote on matchups from each NFL team to send one representative into the final bracket of 32 players at ESPN.com/MaddenVote on March 21st.

If you choose to embed one of the 32 individual voting 'sapplets', you can use the next page that includes all 32 embed codes for all 32 NFL teams. They post to your site much like a YouTube clip and can increase time spent on your site as well as traffic by generating debate about matchups.

The social Play-in vote launches on Wednesday, March 7th and closes two week later on Wednesday, March 21st. The Facebook tab and voting 'sapplets' will be live during those two weeks.
